

ExcelTM

Calcium Chloride Pellets

The Excel Advantage

- Effectively melts down to -25°F.
- Begins melting immediately upon impact – generates melting heat fast.
- Quickly penetrates through frozen surfaces to undercut the ice.
- Most efficient de-icer on the market – melts more so application rate is less.
- Long-lasting melting action – requires fewer applications than other de-icers.
- No powdery residue – odorless and colorless.
- Safe on concrete and vegetation when used correctly.

Comparison of Melting Points

Available Packaging

50 lb. Bags

The Scotwood Advantage

- National Distribution
- Customized De-icing Programs
- Private Labeling Available
- Competitive Pricing
- Quick Delivery
- Strict Quality Control
- Knowledgeable Customer Service
- UPC Coded Packaging
- Wide Variety of Products Available
